Hallsville ISD Education Foundation's 15th Annual Golf Tournament "Fore" the Kids supports grants to teachers and Dual Credit Course Scholarships for students with financial hardships. A global financial crisis, declining home values and an overall difficult economy will put a strain on the businesses, residents, and families in our community. Your participation in this tournament as a golfer, sponsor, or donor helps us underwrite the educational costs for our students.

In the midst of difficult economy, Hallsville ISD Education Foundation is dedicated to excellence in education, life-long learning and responsible citizenship for Hallsville ISD students.

Throughout the past fifteen years, the Foundation has channeled thousands of local dollars back into Hallsville schools. Without the Foundation, many critical experiences would not be available to the future leaders, decision makers, teachers, scientists, or physicians. The students of Hallsville schools are the faces of our future. By investing our time, talent, and dollars into building the skills, character, and capabilities of our children; we are enabling them to overcome challenges such as the ones we are facing today.

Thank you for supporting us as we seek to offer students a quality education. We appreciate your participation in Hallsville ISD Education Foundation's 15th Annual Golf Tournament. Building Education...From the Foundation Up!
